R.I. Baker Middle School June 2023 Newsletter

PRINCIPAL'S MESSAGE

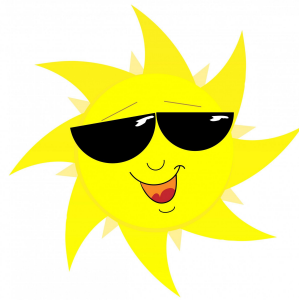

We have a busy month wrapping up our final assessments, exams, PAT's, and projects. We have field trips scheduled, year end swim days, RIBMS annual Summer Splash, and year end assemblies and farewells. Please follow our website and Facebook page for detailed information.

On June 12th we welcome any student and their family who will be new to R.I. Baker next year to attend our new student orientation and information night. It begins at 6:30pm at the school. It is a great way to see the school, have some fun, and get some information on the upcoming school year.

If you are going to be new to R.I. Baker but cannot make this date, please visit our website for a virtual tour or call the office and book a personal tour. If you have any other questions please do not hesitate to call me at the school, 403-345-3340.

I wish everyone a strong finish to the school year and an even better summer.

Mr. Preb

RIBMS 2022-23 SCHOOL FEES ARE NOW OVERDUE

Statements and emails have been sent home during the year and any School, Text Book, Athletic and/or other fees should be cleared up via SchoolCash Online immediately.

SchoolCashOnline

SchoolCash Online Tip: Parents, we know life gets busy and it's easy to forget all the things that are "due" throughout the year. You can always check your "History" to see what you have already done...and can forget about! ;)

Registration for the 2023-24 School Year

Welcome to R.I. Baker Middle School!

We are excited to be gearing up for the 2023-24 school year! You are receiving this package because you are currently enrolled in Grades 5, 6 or 7 at R.I. Baker Middle School or you are in Grade 4 at J.E.S. or Sunnyside and are preparing to join us next year!

PARENTS: If your child is **NOT** going to be attending RIBMS for the 2023-24 school year, please put an "X" across the "Student Demographic Verification Form" and write "NOT attending RIBMS", then return it to the R.I. Baker Office. It is assumed that all Grade 4 students, from J.E.S. or Sunnyside will attend RIBMS until we are informed otherwise.

Student Demographic Verification Updates – IMPORTANT!!

This is possibly the most important form we ask parents to return on a yearly basis. It is what we use to verify that we have your child's correct demographic and contact information. This form is used to update our records and is also YOUR legal proof of enrollment if you ever need it for Revenue Canada, Immigration or any other purpose. Please take the time to fill it in correctly and return it by May 30, 2023.

Remember to check for and add if missing:

- Correct address/phone # for child and BOTH parents.
- Parent Cell – this is usually the best way to contact you in the case of an emergency.
- An emergency contact OTHER THAN PARENTS. If you are unable to pick up a sick child, we must have someone else on file that is authorized to pick up your child. We do not need their address, just contact phone numbers.
- Parent email address. All communication from the school is sent by email. If we don't have a correct email on file you will miss out on important information.
- Child's information is correct (name, birth date, gender, etc.)
- REMEMBER TO SIGN AND DATE THE FORM.**

Thank you for taking the time to keep our records up-to-date.

We will be hosting a New Student Orientation at 6:30pm on Monday, June 12 at RIBMS where you can come have a tour, meet some teachers and have some fun!

First day of classes for the 2023/2024 School year will be September 5, 2023

School fees will be posted to SchoolCash Online in August. Any families who are experiencing financial difficulties and as such are not able to pay school fees before classes begin are encouraged to speak with the principal to discuss payment options.

Find us on: Like "R.I. Baker Middle School" on Facebook to stay informed!

Looking for more information? Check out ribms.ca

Student Demographic Verification Forms for the 2023-2024 school year have been handed out to all RIBMS students currently in Grades 5, 6 and 7 as we hope to see you all return next year :)

These same Verification Forms have been delivered to the Grade 4's at Jennie Emery Elementary and Grade 7's at Sunnyside, as we are looking forward to you joining our Baker Bear Family next year!

These are possibly the most important forms we ask parents to return on a yearly basis. It is what we use to verify that we have your child's correct demographic and contact information. These forms are used to update our records and are also YOUR legal proof of enrollment if you ever need it for Revenue Canada., Immigration or any other purpose.

PLEASE take the time to make sure the information is correct, SIGN and DATE the forms and return them to our office ASAP.

We apologize if you had already completed the online registration link that was sent out for Edsembl. Unfortunately, there were unforeseen technical difficulties with the program and its data delivery, which led us to remain using these hard copy/paper Verification Forms for the 2023-2024 school year.

Please advise if you have not seen this Registration package come home and we can re-print one for you. Thank you for taking the time to keep our records up-to-date!

RIBMS Dress Code

as per the R.I. Baker Middle School Handbook

The primary objective at RIBMS is the academic success of all students; consequently, the dress policy allows for the conditions most conducive to learning, that students can work comfortably and without distracting or disturbing others. The key principles of the policy call for dress to be CLEAN, NEAT and MODEST.

Students dressed inappropriately will be asked by their homeroom teacher to go to their lockers and change into appropriate clothing. It is understood that students will do this quickly and that the inappropriate clothing will be covered FOR THE DAY. If no appropriate clothing is available, the students will be directed to the office to either call home for suitable clothing, or be provided with clean clothing at the office. If a student needs to wait for a parent to bring appropriate clothing, the student will wear what is provided at the office for the interim, in order that the student can return to the classroom as soon as possible. The student can then go to the office at the next break to change into the appropriate clothing supplied by the parent.

Specific items that will not be worn to school include:

- Slippers
- Any revealing tank tops or halter tops
- Transparent or see-through fabrics
- Short tops that expose the midriff at ANY time
- Low cut tops
- Short shorts, skirt, or skorts (length will be at staff members discretion)
- T-shirts that are in poor taste*
- Large winter jackets and coats are not to be worn in the classrooms
- Clothing that is designated underwear should be kept undercover

*the dress code policy specifically prohibits clothing that contains logos or advertisements for drugs, alcohol, weapons or tobacco; that contains or implies messages with sexual innuendo, or that appears to promote racism, discrimination, hate or illegal activities.

The dress policy applies to all school activities – dances, field trips, PE classes and extra-curricular sports practices, etc.

Year End Report Cards

Report Cards for the 2022-2023 school year will be digital and available for viewing through Edsby. (Similar to how the PowerSchool Parent Portal worked last year)

Parents will need to have an active Edsby account in order to see them. If you HAVE NOT set up your account yet, please do so! 😊 If you need help getting started, please call the office.

YEAR END ASSEMBLIES

Grade 8 Farewell 8:45 - 9:45: This in-person ceremony will include honors recognition as well as the merit award. We are very excited to have parents and family of our grade 8 students join us. The entire school will also be in attendance so it is recommended showing up around 8:30 if you wish to get a seat.

News from the Learning Commons

As we near the end of the school year I want to bring to your attention that the library will be closed to all students as of June 16th, and all loaned materials are expected to be returned by this date. Students have been reminded on a regular basis of items that they need to return and it is their responsibility to return these items in the condition in which they received them. Any items, including textbooks, that are lost or severely damaged must be paid for. Emails will be sent home as a reminder for assistance in locating and returning the items to the school. Thank you in advance for your assistance in getting all items returned.

It has been a fantastic second year for me as the Learning Commons Facilitator. I hope the students have enjoyed the topics/videos that were discussed and the novels that were read. It has been a pleasure getting to know your child/children.

Want to keep your child/children reading throughout the summer? The Coaldale Public Library offers various reading programs, and opportunities for older students to volunteer. I would highly recommend these programs. My own children enjoyed participating in them. Have a fabulous summer, and happy reading.

Final Concert goes on Wednesday, June 14, 2023 at R.I. Baker in the gymnasium at 7:00pm.

Grade 5 students that are choosing to take band in the fall will be receiving an information package regarding important fall dates and rental information. Mr. Conrad will also be sending this information out by email as well.

Not Yet ... but the Canteen is closing soon!

The last week the canteen is open is June 12-15.

RIBMS Yearbook Orders are now closed - So When will I get my Yearbook?

The 2022 - 2023 yearbooks will be delivered to RIBMS in September of 2023, as they are printed over the summer months, in order to include pictures from all the year-end activities. Current grade 8 students who move on to KAHS will have their yearbooks sent over there for distribution. Any Grade 8 students who are moving to a different school for Grade 9 will have their yearbook kept at Baker and will be called when it's available for pickup.

GRADE 5 POD

We are looking forward to a fun filled June!

Wednesday June 14th we will be heading to Park Lake for a Wetlands lesson with Parks Alberta.

Tuesday, June 20th we will be taking a curriculum based field trip to Writing on Stone.

Friday, June 23rd, is *Summer Splash*, a school-wide fun day!

Monday, June 26th, grade 5, 6 and 7 students will travel to Raymond Pool.

Tuesday, June 27 will be Farewell assemblies.

Language Arts: The year has flown by! We are finishing up our novel *Restart* and will move on to paragraphing to finish off our year.

Social: As we approach the end of the year, we are entering our final unit in Social Studies! Here, we will compare and contrast the Cordillera and Interior Plains regions. Students will use a variety of resources to compile and present the information needed to compare the two regions.

Science: We are continuing to learn about chemistry, properties of matter, reactions and mixtures. We will complete some fun, hands-on experiments throughout this unit!

Math: Hard to believe we are coming to the end of the year. We will wrap up Math this year with Addition and Subtraction of Decimals, probability and geometry.

GRADE 6 POD

We have some fun events and important dates for the month of June in grade 6!

Monday, June 5th will be our grade 6 field trip to Waterton Park. We will be hiking Bear's Hump as well as walking around the townsite so please ensure your child has proper footwear, a hat, sunscreen, a bagged lunch, and a water bottle. More detailed information will be sent home closer to this date.

Friday, June 23rd: school wide fun day - summer splash (grade 6s will join after PAT).

Monday, June 26th: grade 5, 6 and 7 students will travel to Raymond Pool (grade 6s will go after PAT)

Tuesday, June 27th: will be Farewell assemblies. The grade 6 assembly will be at 12:00pm - 1:00pm.

Grade 6 PAT Dates:

June 19, 2023 - Science

June 20, 2023 - Language Arts Part B: Reading Comprehension (Multiple Choice)

June 21 - No PATs (Indigenous Peoples Day; students attend school)

June 22, 2023 - Math; Part A (15 numerical response questions)

June 23, 2023 - Math; Part B (Multiple Choice)

June 26, 2023 - Social

***All PATs will begin in the morning with instructions starting at 8:45am sharp. Remember to get a good night's sleep, have a healthy breakfast, arrive on time, have at least 2 sharpened HB pencils, erasers and a highlighter. Also be sure to bring a free reading book in case you finish early!**

Language Arts: I can't believe it is already JUNE! What a year! To finish off the year in Language Arts, we will be focusing on poetry. We will look at elements of poetry, we will learn about different devices to help us analyze poetry, and we will also work on writing a little of our own poetry! We will also be doing some terminology review before the PAT and some practice reading comprehension.

Social: In Social Studies, we are wrapping up our unit on the Iroquois Confederacy. In this unit, we looked at how their "government" functioned, and what the culture was like amongst the Six Nations and the clans. Moving forward, we will take a quick look at Chapter 7, Making a Just and Fair Canada, before some final prep for the PAT.

Science: As we wrapped up our final Unit; Trees & Forests, at the end of May, we will use the month of June to cumulatively review all units from this year. These units are: Evidence & Investigation, Sky Science (Space), Air & Aerodynamics, Flight and Trees & Forests. Students will have access to all units in Google Classroom and it is expected some review is done at home for these finals, especially if students have been absent. A PAT review page will also be provided to students with key points from each unit, however more in depth review from Google Classroom will be beneficial as well.

Science PAT is Monday, June 19th.

Math: We wrapped up Unit #7: Transformations, in late May, and as June begins, we will do our final major unit on Statistics & Probability, as well as beginning review of all units learned this year; especially multi digit operations (addition, subtraction, multiplication and division; these are used across all of our other units so it is especially important to be comfortable with these skills).

Math PAT is Thursday, June 22nd (Part A), and Friday, June 23rd (Part B)

GRADE 7 POD

We have some fun events and important dates for the month of June in grade 7!

Wednesday, June 7 - Frank Slide Interpretive Centre Field Trip - students need to bring a bagged lunch, sunscreen & water bottle for this trip!

Wednesday, June 21 - Grade 7 activities for Indigenous Peoples Day

Friday, June 23 - *Summer Splash*, a school-wide fun day!

Monday, June 26 - grade 5, 6 and 7 students will travel to Raymond Pool.

Tuesday, June 27 - Farewell assemblies. The grade 7 assembly will be at 10:45 am.

Grade 7 FINAL EXAM Schedule:

*See specific subjects below for information/teachers will send out details closer to assessments

Friday, June 16 - Language Arts

Monday, June 19 - Math

Tuesday, June 20 - Science

Thursday, June 22 - Social Studies

Language Arts: We will be wrapping up our research and novel study unit with the mentor text *A Long Walk To Water* by Linda Sue Park. Students will have the opportunity to present their research skills and knowledge in a final project before we begin reviewing for their final exam. The final exam will cover our unit on poetry, the unit on research and the mentor text and will include reading comprehension.

Social: We will be finishing looking at the final provinces and territories that joined Canada, how Canada helped to bring more people over to help develop the land, and how more recent events that have occurred in Canada have continued to shape its identity. The final exam for Social Studies will take place on Thursday, June 22nd and it will cover everything we have covered throughout the year. Students will receive a study guide that is more focused on what they need to know from each chapter.

Science: Students will finish working through the final science 7 unit, Structures and Forces. They will explore the importance of structural stability, margin of safety, modes of failure, joints and material strengths. Then students will review for the final exam which will be on Tuesday, June 20. The final will only cover our last three units: Planet Earth, Heat and Temperature, as well as Structures and Forces.

Math: After completing our Data Analysis unit, we will be moving onto our final unit of the year about Geometry. A few of the concepts we will be exploring are: perpendicular and parallel line segments, angle bisectors, plotting points using ordered pairs, as well as translations, rotations and reflections of points on a Cartesian plane. The final exam for Math 7 will happen on **Monday, June 19**, and it will cover all of our units completed since our first midterm exam in February.

GRADE 8 POD

Humanities (LA/Social)

Rising Sun, Bending Reed, our two-month-long competitive Project-Based game, is coming to its conclusion this month. Students have had the experience of the Japanese people during the stressful journey of their country. They will have a chance to showcase what they have learned as individuals, and will be completing their final summative pieces. Mr. Willems and Mr. Smith are very happy with the results we have seen; thank you grade 8's for such great participation! The Language Arts final exam will be on June 16th and the Social final will be on June 22nd.

Science

In June students will finish their Light and Optical systems unit and spend some time preparing for the final exam. Our understanding of the world is based largely on what we see- both directly, and aided by optical devices that improve and extend our vision. Such tools as the microscope and telescope have helped extend knowledge in a variety of science fields, from the study of cells and starts to studies of the nature of light itself. In learning about light, students investigate its interactions with different materials and interpret its behavior using a geometric ray model. Students then use their understanding of light to interpret a variety of light-based technologies and contemplate new technologies we may use in the future.

We are scheduled to write our Science final on Tuesday, June 20th.

Math

To begin, June will have us concluding Chapter 7: Data Analysis & Probability. Then, we will wrap up the year by working on our final chapter - Chapter 8: Geometry. This is a project-based chapter and we will focus on tessellations. ***The FINAL EXAM will take place on Monday, June 19. We will take time in class to review for this cumulative exam. However, it is highly recommended that students use the additional resources provided to them to prepare from home as well! Communication will be sent home regarding additional resources and exam specifics!***
