**Grade 5-6 Volleyball Skills  
Jamboree**

## The Jamboree

The Jamboree is a skill development event. Our goal is to get students used to game style play and support programs offered in their Jr. High and High School settings. The competition level will be low and we will celebrate EVERYONE'S accomplishments after with a pizza dinner that will be held once the tournament is over.

1. The Students will play triple ball style of play. Each team will play 3 games.
2. The games will be timed 20 min games.
3. We will focus on good sportsmanship and game processes
4. We will play eight 20 min rounds with a 5 min warm up before each game.
5. When you are not playing a game, students will be asked to cheer on other teams in the gym, or team build as a group in the foyer. We will have some activities on tables and coaches may take kids outside to practice if the weather supports it. Movies will also be playing in the foyer.
6. Students must be supervised in the school by coaches when they are not playing.
7. Spectators are welcome, but seats may be limited (as we are using both courts).
8. Have fun!

## Parents and Guardians

Thank you for supporting your son or daughter with this mini volleyball season. We are excited to wrap up the season with our skills jamboree. This is not a competitive tournament, but rather an opportunity for students to show off their skills in game style play. Our hope is this will ignite further interest in the sport so they can pursue it at the Junior High or High school settings.

Our referees for the Jamboree will be former students. They will award points during game play but not have official scorekeepers. Our focus will be on game process and sportsmanship.

Kona Ice will be onsite selling shaved ice and other treats. We will have time for a large group picture at the end

and will celebrate with free pizza for the teams at 5:00. The event will come to an end at 5:30pm. Please make sure your child has transportation home at this time.
