## R.I. BAKER SCHOOL

### DECEMBER 2024 NEWSLETTER

## PRINCIPAL'S MESSAGE

December already!?!? These first few months have flown by! First, I want to extend my heartfelt thanks to all the parents and guardians who attended our recent Parent-Teacher Conferences. Your partnership and involvement are invaluable in supporting our students' success.

As a reminder, you can access up-to-date grades and assignments through our online portal at the beginning of each month. Staying informed about your child's progress helps us work together to ensure they reach their full potential.

With winter weather settling in, we kindly ask for your cooperation in ensuring that your child is dressed appropriately for the cold. Hats, gloves, warm coats, and boots are essential for staying comfortable and healthy during outdoor activities. If you need assistance in obtaining winter clothing, please don't hesitate to reach out—we often have items here to help.

Looking ahead, we're excited to announce the annual ski trip! Spots are filling quickly, so please sign up soon to secure your child's place. This is always a highlight of the year, providing students with an opportunity to enjoy the outdoors, and create lasting memories.

Finally, I'd like to invite you to attend our next Parent Council Meeting on January 14th. This is a wonderful opportunity to collaborate with other parents, share ideas, and help shape our school community. Your voice and input are always appreciated!

Thank you for your continued support of our students and staff. Wishing you a joyful

Mr. Prebs

Edsby is RI Baker's program used to report GRADES and ATTENDANCE to parents.

Invitations for Edsby have been emailed. Thank you to all the Parents that have already set up their accounts! If prompted when signing up, the School Code is Pallisersd

Please call our office at 403-345-3340 or email [glenda.kurtz@pallisersd.ab.ca](mailto:glenda.kurtz@pallisersd.ab.ca) if you are having difficulties setting up your account.

**\*\*TIP: : Downloading the Edsby App and allowing notifications from Edsby helps us notify you quickly if your child is absent!**

### LOST AND FOUND

Our Lost and Found is located inside our Main Entrance. Please remind your students to look inside the benches if they are missing something! Hoodies, jackets, lunch kits, water bottles, binders, etc. Thank you.

### BUSSING UPDATE

This year Palliser transportation **NO LONGER** has room for RIDE ALONGS. Please make alternate arrangements for your child & friend to get home, as bussing can not accommodate extra students.

### FRIDAY SNACKS

Parents/Guardians, please ensure your student has enough snacks/food on Friday's. As we do not have lunch because it is a short day, students are often hungry. They are permitted to eat during the recess break.

# NEWS FROM THE PODS

## GRADE 4 POD

We are having a great grade four year so far!

SWAP is well underway and students are getting targeted intervention in their spelling. Spelling words have been coming home at the start of the week - please ensure you are practicing these words with your child to help them grasp the various concepts we are covering at school (word families, vowels, consonants, syllables etc.).

As the weather is changing, students need to be coming to school dressed to be outside. Please help your child remember to wear a coat, mitts, toques and winter boots!

Sickness is inevitable sadly, please make sure your kiddo is keeping up with missed assignments by accessing Google Classroom. Continue checking EDSBY for current grades, as well as school information like our upcoming ski trip (Jan 30) and the Winter Concert happening on December 11th!

## GRADE 5 POD

This month we will continue to work in our Swap groups. Our 6 week cycle will end just before Christmas. In January we will begin a focused writing unit.

With the weather changing, students need to have outside shoes and inside shoes. Wearing only one pair every day means messy, wet floors and often students end up with wet, cold feet. They should also come dressed for the weather. Getting outside for a break and fresh air is important.

Teachers are updating Edsby with grades and comments. You can find your child's progress in there. If your child will be absent please log in there to report any absences. Further to that, your child can log in to Google Classroom (if they have been away) to see what they missed.

## GRADE 6 POD

Thank you to all parents and guardians who were able to come in for Parent Teacher Interviews in November to discuss your child's progress. By now, every grade 6 homeroom teacher will have entered assessments and comments in Edsby for you to view, and will continue to update these at the end of each month.

Please email your child's homeroom teacher about subject specific questions as each homeroom may be doing units in a different order depending on the subject.

If you were not able to make it in, we appreciate you taking the time to check Edsby and Google Classroom, and are happy to meet or have a phone call with you to discuss your child's progress at a time that works for you.

Grade 6 students have now changed to a new M/W period 8 option with a new grade 6 teacher. We will rotate this option again in January.

It is recommended that all grade 6 students practice their math facts for 5 - 10 minutes each night, as well as do some reading from a 'good fit' chapter book for 20 minutes each day when possible.

### 6T Solar System Science Fair

Grade 6 students were hard at work preparing model solar systems. They were displayed in the mezzanine in November and all classes could vote on the top models. Everyone did an awesome job!

## NEWS FROM THE LEARNING COMMONS

The Scholastic Book Fair was a HUGE success. Thank you to those who supported the fair. 46 new novels were added to the library thanks to your generous purchases. The students are excited to get reading the new books.

## RI BAKER ATHLETICS

Every month in Phys Ed we do a fitness run (1500m outside, 12 minutes inside) to challenge ourselves physically. So far our school has run and walked 3089 kilometers since September during these runs, walkathon, and Cross Country Club!

We are currently just outside of Thunder Bay, in Shabaqua Corners, Ontario.

## 2025 Basketball Season

Hello RI Baker Families,

Basketball season is upon us! This year we are thrilled to have a ton of interest in basketball and we will not make cuts; this means every child has a chance to play. As such, we ask for the following:

### Behaviour:

Athletes will demonstrate Proud Bear Behaviour at all times. If athletes are disrespectful, goofing off, or interrupting practice they will be asked to leave.

While they are representing RIBMS as an athlete, unsportsmanlike behaviors will not be tolerated. He/she will be notified that one unsportsmanship like act could result in the removal from basketball. The reinstatement of the student athlete to the team will be left up to the discretion of the school administration. Any 'severe' bullying and/or negative behavior during the school day of any form could result in the immediate and permanent removal from the team. School administration will ultimately make the 'final call'.

### Participation:

We ask that students commit to attending every practice. If athletes must miss a practice, they must communicate their absence with a valid reason to one of the coaches. All team athletes must be available for the tournament. Athletes are aware that by returning this permission form, they are committed to the club or team and are being relied on to attend practices and games. Athletes may have other hobbies and we encourage families to carefully consider their prior obligations and any potential conflicts before committing to the basketball season.

### Club and Tournament:

We will be hosting two groups:

**Club** is for grade 4 students who want to practice skills but will not compete competitively in tournaments.

**Team** is for students in grades 5 & 6 who would like to compete competitively. There will be a season tournament that the team will compete in. Due to the amount of students interested in basketball, students will be split into 2 groups and we will let students know which group they are in after the winter break. Groups will be poster outside the gym.

### Fees:

Club is free.

Team cost is just \$5 per athlete. This helps us recoup some bussing cost.

**Please return the permission slip by Tuesday, December 10th at the latest.**

Please let us know if you have any questions. Let's have a great season!

- Coaches Chais Juhar & Trent Olesen
