- The Palliser organizational review will be completed October 31, at which time the panel will report to the board, executive summary will be published publicly.
- The Sheldon Kennedy film premiered last week in Swift Current. Palliser is heading a Sheldon Kennedy center similar to the in Calgary. Agencies (social workers, counselors) will run the center.

- Mr. Prebuszewski explained the internal vs external lockdown procedure at Baker.

Chairperson's Report:

- Council of Council- next meeting to be determined.
- Robyn Henderson has created a School Council trifold, and will have it out at Meet the Teacher night.
- The Educational Review Panel is seeking written submissions from parent councils based on 4 parameters:
 1. Organizational Culture, climate and leadership

- 2- accountability to stakeholders,
 - 3- Internal and external communication practices
 - 4- Governance practices
- These submissions need to be in on, or before October 14

-Robyn Henderson suggested a Parent Council Tab on the school website.

Principal's Report-

- Enrollment is up slightly this year.
- New Staff members: Kaitlyn Turnbull, Tanya Conrad, Candice Friesen, Michelle Smart, and Danielle Poyer.
- Tanya Conrad is starting R.I. Baker's first choir.
- Timetable: Bell times have changed, and we now have an earlier lunch. Students say they are getting used to it, and teachers are allowing students to snack throughout the day. There were some complications with the hockey schedule, but those seem to be worked out. Students are taking some time to eat during period 4. Mr. Prebuszewski will continue to encourage teachers to allow students to nourish in the classroom.
- Amy Kerr has concerns about hot lunch for hockey students. Mr. Prebuszewski suggests teachers save it for the next day. Amy suggests hockey players get 10 minutes after they get back to eat. Mr. Prebuszewski will bring the idea to staff members.
- Robyn Henderson expressed concerns regarding overall communication. She feels the website needs revamping, and the newsletter cannot be opened by many because it was sent out in Publisher. This will be looked into by Mr. Prebuszewski.
- Cindee Nyrose questions school fees. She would appreciate a notice ahead of time, rather than just a late fee reminder.
- The Leveled Literacy Intervention (LLI) is up and running at Baker. This reading intervention system involves a teacher working with a small group of students for a six-week period. The program aims at getting all students reading at grade level.
- There are some storage issues at the school, our last free classroom is full with chairs/ risers, etc. We are looking into building a garage in the parking lot which will be similar to the look of the building, with the cinder blocks.
- The PAT results are in, and we are happy to report that we are above the provincial average in every subject area.

7. Old Business: None to report.

8. New Business:

Bullying Policy: Mr. Prebuszewski explains that at Baker, bullying is defined as an ongoing problem, rather than one poor decision. He also encourages students to talk to staff members to inform them of problems they encounter. Teachers are there to help, but unfortunately, they cannot catch everything, so it is important that students talk to their teachers if there are issues.

9. Bouquets:

- Robyn thanked everyone who came tonight. She thanks Amy Hass for being the secretary and Mrs. Peacock for being teacher representative.
- Mr. Prebuszewski gives a bouquet to entire Baker Staff for coming together during difficult times for staff members who have gone through rough times.
- Tamara Hoogerdyk gives a bouquet to Mrs. Wickham for allowing her to be in her classroom on the first day to help. Also, the transition for the grade 5 class changes has gone smoothly.
